WEATHER RESISTANCE

Crafted for long-lasting elegance, it features UV filtration, weatherproofing, and a polyester coating. Its lightweight aluminum construction ensures portability, adding a touch of natural elegance.

Designed for those who seek a deeper connection with nature, a sense of relaxation, and the feeling of freedom.

The collection allows you to fully enjoy the beauty of the outdoors.

Blend with Environment

ALUMINUM

Merging durable aluminum with eco-friendly treatments, this collection creates a serene hideaway blending with the environment, resilient against changing seasons.

This collection carries human aesthetics through thousands of years to the present day with a distinctive style that reflects a deep admiration for the beauty of the environment.

ECO-FRIENDLY

The perfect way to enjoy a sunset dinner with loved ones. Combining comfort and durability, this table is designed to make every outdoor meal a memorable experience.

INDUSTRYART COLLECTION

NanoShield CementTech is a cutting-edge material, designed to withstand the toughest outdoor conditions. Its advanced formulation provides exceptional resistance to sunlight, moisture, and wear, ensuring long-lasting durability in any environment. Ideal for outdoor furniture and surfaces, NanoShield CementTech combines strength with elegance.

We offer full flexibility by applying this material to a variety of surfaces, making it perfect for custom designs and projects.

UNIQUE

CREATIVE

This new outdoor furniture collection merges the elegance of art with the strength of industrial design, featuring handcrafted tabletops and durable aluminum frames, ensuring your gardens stand out with unique style.

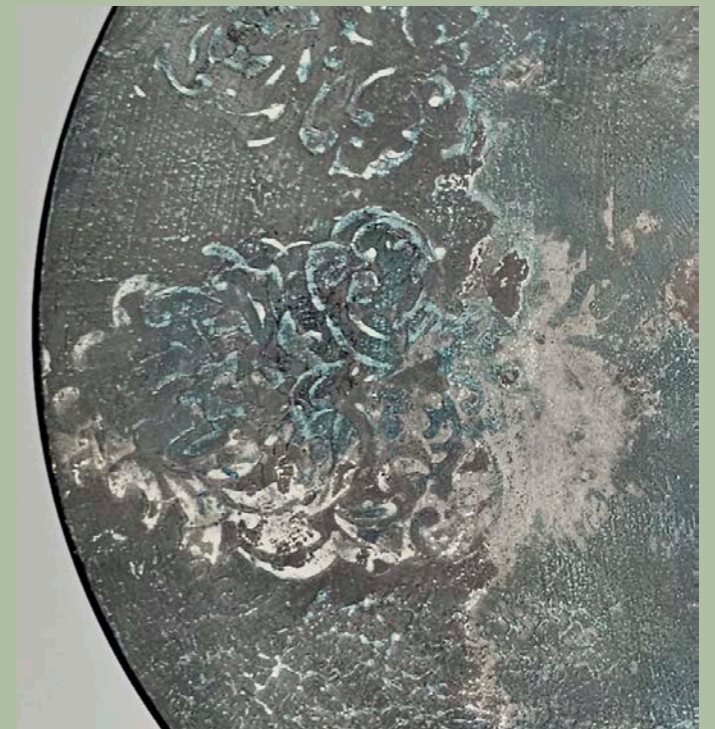

STATEMENT PIECE

Designed to be the focal point of any space, these tables feature NanoShield CementTech surfaces that blend strength with elegance. Perfect for both outdoor and indoor decor, each piece is a testament to superior craftsmanship and timeless style.

INSPIRATIONAL

This new technique combines durability with artistry. With NanoShield CementTech, each tabletop can be customized in design and color, allowing for personalized, creative expressions that elevate any furniture piece.

NanoShield CementTech is **Forada's** latest innovation, a nano-particulate cement-based coating material reinforced with nano-polymer. It is designed for luxury outdoor and indoor furniture, offering both durability and unique aesthetic qualities.

NanoShield CementTech is an advanced surface material designed for durability and versatility. It's ideal for use in all types of commercial spaces, engineered to withstand any weather conditions with its industrial-grade strength. At the same time, it excels in artistic applications, resulting in unique, one-of-a-kind pieces that captivate the eye. This is where industry meets art, creating the perfect balance between functionality and creativity.

SKYLINE COLLECTION

In the fast pace of modern life, our eyes are often fixed straight ahead, neglecting the beauty around us—especially the infinite sky above.

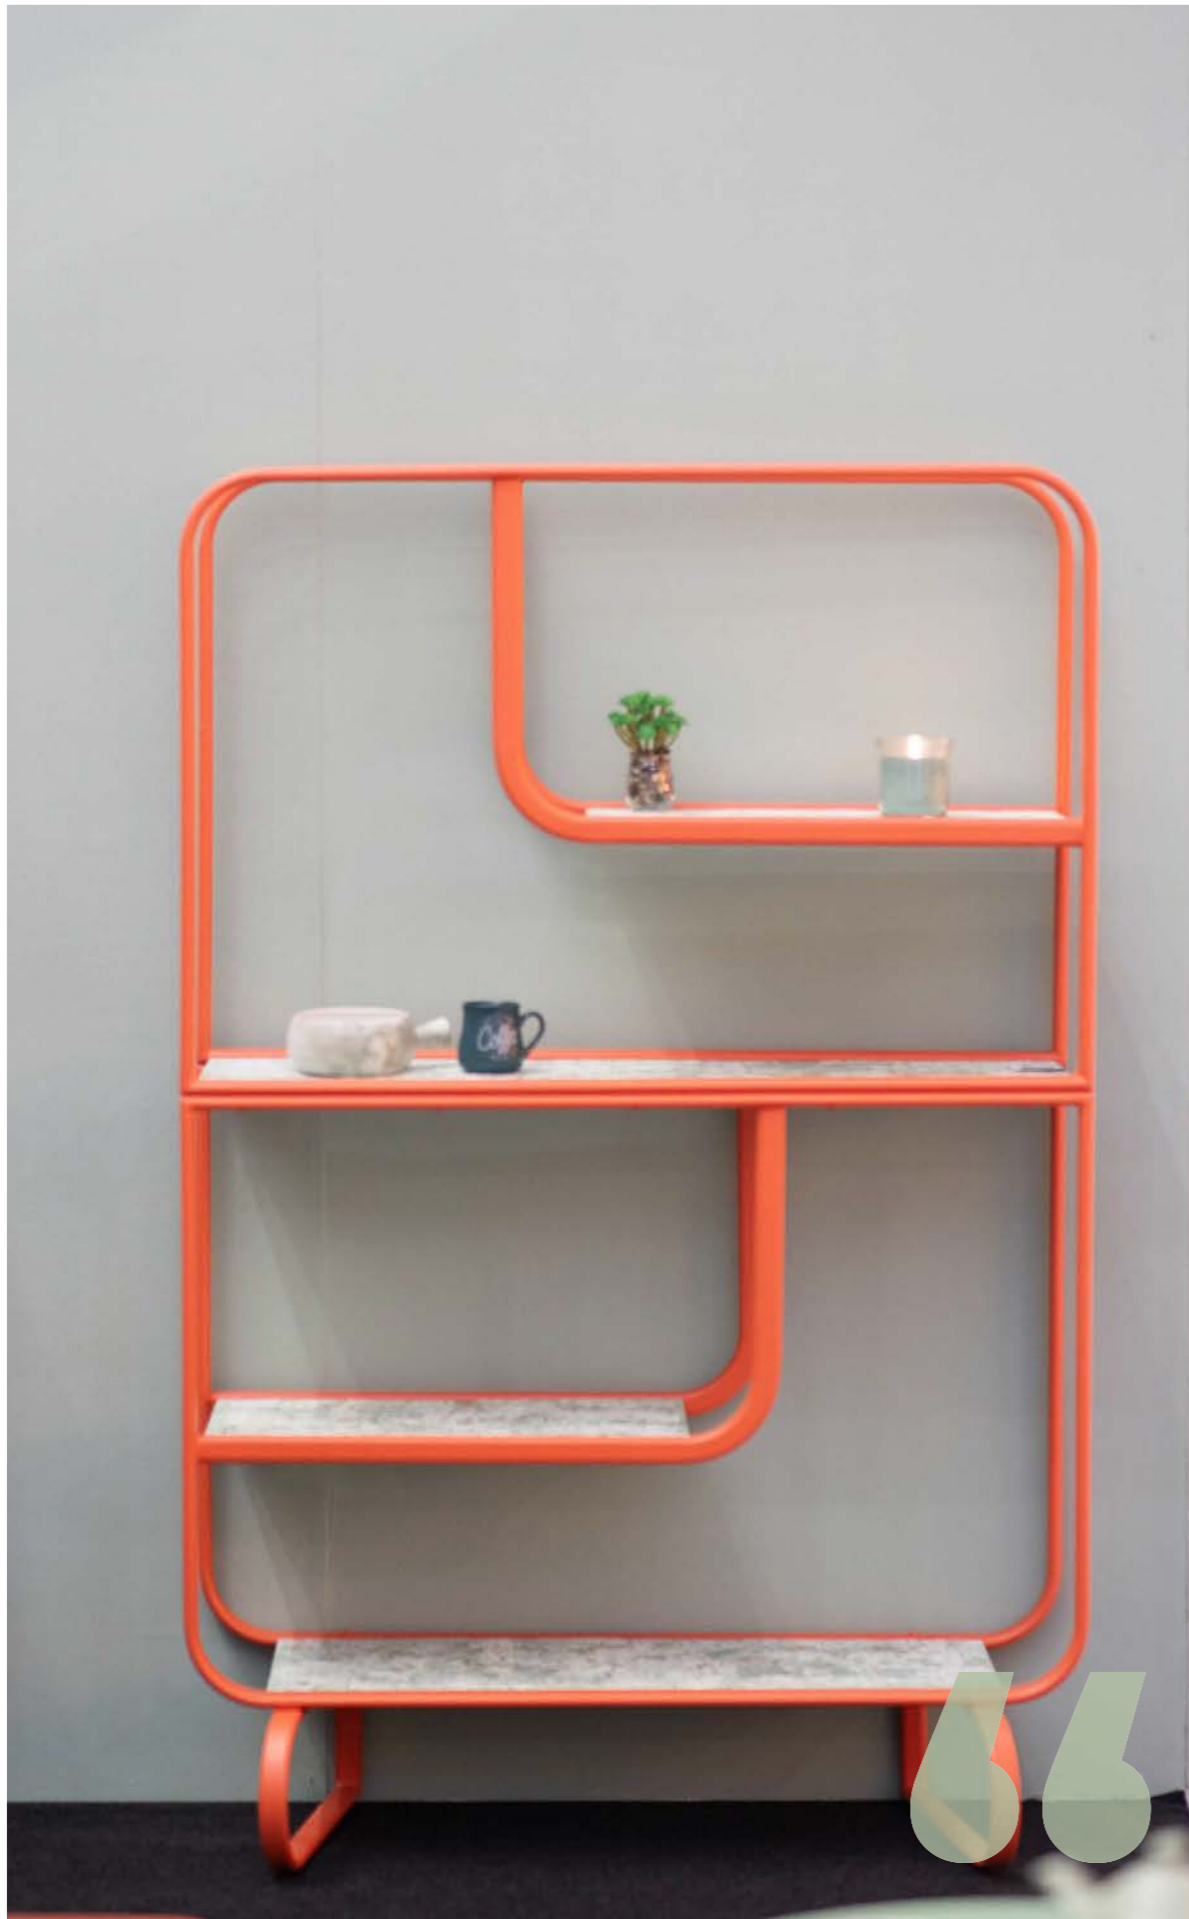

The SKYLINE collection invites you to reconnect with the universe.

This unique armchair is designed to help you rediscover the wonders of the sky.

Its generous width allows you to sit cross-legged comfortably, while the angled design draws your attention away from the stress of daily life, guiding your gaze upwards. Whether you're unwinding after a long day or seeking a peaceful moment, this chair creates the perfect space to lose yourself in the endless sky.

Carefully crafted, the **SKYLINE** armchair is more than just furniture; it's an experience. It reminds you of the vastness of the universe and the beauty that surrounds us.

Take a deep breath, lean back, and let your mind drift among the clouds.

COLORFUL DESIGNS

Discover the endless possibilities of color with our exquisite metal furniture! FORADA offers the perfect pieces to express your unique style from vibrant pops to soothing shades.

SERENITY NOW

Each piece is thoughtfully crafted to not only provide exceptional comfort but also to inspire a deeper connection with the world around you.

TIMELESS PIECES COLLECTION

An aesthetic beyond time.

From the oldest civilizations to the present day, ceramics have always been a part of art and life, serving as a medium for depicting human stories and cultures. Even in ceramic and earthenware objects produced for basic needs, cultural motifs are included. These objects, which can be considered a record of humanity, have taken their place among timeless works as they have never lost their relevance from past to present.
